WELCOME TO THE IBNA

We hope you enjoy using your 2011-2012 IBNA Electronic Media News Directory. Your comments and suggestions for new features or improvements are always welcome. The directory is a part of our organization's efforts to serve you.

This book represents our best efforts to get the latest information about all radio and TV stations in Iowa and adjacent markets. Obviously, information changes quickly, so some items may have become dated in the time the directory was being printed. If you have a correction, update or new listing, please let us know about it so our on-line database is accurate.

The information is current as of March 2011 and was gathered via telephone calls and reviewing station web site information. Updates were compiled by Megan Herickhoff, a Wartburg College senior who served as IBNA administrative assistant during the spring of 2011.

IOWA STATIONS

Stations are listed by city of studio location. In the case of multiple radio stations being located at a single site, the station is listed by AM station first, then FM. If more than one AM and/or FM are at a single site, the AM stations are listed first in alphabetical order by call letters, then the FM stations are listed in alphabetical order by call letters. Note that in this era of consolidation, many stations now are housed at one location, and may have changed their call letters. Frequencies are also listed to aid in locating the station for which you are seeking information. Population information comes from 2000 U.S. Census data.

WHAT IS IBNA?

IBNA is a nonprofit corporation of radio-TV news directors, reporters, producers, public relations professionals and others from Iowa and its adjacent states, working together to improve electronic media news for our stations and the public. Members can take advantage of the following:

LEGAL ISSUES: IBNA members can get free answers to questions concerning open meetings, public records, and court proceedings through legal counsel, executive secretary Jeff Stein. IBNA is also a First Amendment Member of the Iowa Freedom of Information Council.

AWARDS: IBNA recognizes outstanding work done by its members. During the annual IBNA convention, an awards banquet is held to honor news reports in several categories. IBNA also awards the Jack Shelley Award, given to someone who has made substantial contributions to electronic media journalism in Iowa. Money raised through the contest is used to support IBNA activities.

SCHOLARSHIPS: IBNA is committed to helping aspiring electronic media journalists. Each year at the annual convention, the IBNA Grant Price Scholarship for \$1,000 and Dick Petrik Outstanding Student Award for \$500 are awarded to students from one of Iowa's colleges or universities.

PUBLICATIONS: the online IBNA Newsletter is published quarterly and contains association news, trends in the industry, new product information, editorials and more. The Directory is published annually and contains listings of all radio and TV stations in Iowa, plus news reference materials.

GET INVOLVED: The major event for IBNA is its spring convention, a time for electronic media journalists and others from across the state to gather and discuss issues, get performance tips, socialize and meet newsmakers. Active members vote on issues brought up at the annual meeting and elect members to serve on the IBNA Board of Directors.

IBNA MEMBERSHIP

ACTIVE membership is limited to persons employed in Iowa or its adjacent markets, or who have an Iowa affiliation elsewhere, who are engaged in reporting, preparing or supervising radio or television news material for broadcast, or who are engaged in the instruction of journalism or electronic communication. Therefore, active members are employed by radio or TV stations/outlets, networks, schools or news services. Dues are \$15 per year.

ASSOCIATE membership is open to persons engaged in activities other than electronic media news or its instruction. Public relations specialists, attorneys, public officials and others concerned with the electronic media news industry are among those who join the association. Association members enjoy all IBNA benefits, except these members may not vote or hold office in IBNA. Dues are \$65 per year.

STUDENT membership is open to persons attending high school, community college, or four-year institutions of higher learning. Student members enjoy all association benefits but may not vote and must pay an additional fee for the directory. Dues are \$10.

Dues are for a calendar year. Dues are not refundable.
